LESSON 2.3: ALLAH HAS NO BEGINNING OR END:

Zahra couldn't understand what it meant that **Allah has no beginning or end**

Her mummy explained to her that:

- there was a time when she was not there,
- then she was born and that was the beginning of her.
- Then she grew and will carry on growing older,
- Then she will die and go back to Allah and that will be her end.

**So, Zahra,
Remember always,
that, Allah has no
beginning because
there was never a
time when He was
not there and Allah
has no end, because
there will never be a
time when He will not
be there**

**I understand
now Mummy
Thank you**

Allah was never born so He will not die.

Allah was always there and will always be there forever.

**Allah made everything but no one made Him because He was
always there.**

**Allah takes care of everyone and everything because He is always
there.**

WORKSHEET 2.3: ALLAH HAS NO BEGINNING OR END:

BEFORE	NOW	LATER
---------------	------------	--------------

Egg

Duckling

Duck

Allah has always been there, He is here now, and He will always be there forever.

Me as a baby

Me – Now

Me – older

Stick a photo of you as a baby in the first square, a picture of you now in the middle square and a picture of your mummy or daddy in the last square - as that is what you will probably look like when you get older

LESSON 2.8: SNEEZING:

When you sneeze you should say **Alhamdulillah**

We are told that when go back to Allah
the first thing we will do is sneeze.

If we are in the habit of saying Alhamdulillah every time we sneeze, then when we go back to Allah, we will also say Alhamdulillah when we sneeze.

When you sneeze you should put your hands or a tissue in front of your mouth so that you do not pass your germs to anyone else and give them your cold.

When someone else sneezes you should say **Yarhamukallah**, because Islam teaches us to care for each other.

WORKSHEET 2.8: SNEEZING:

Below is a game you can play in the class with your friends:

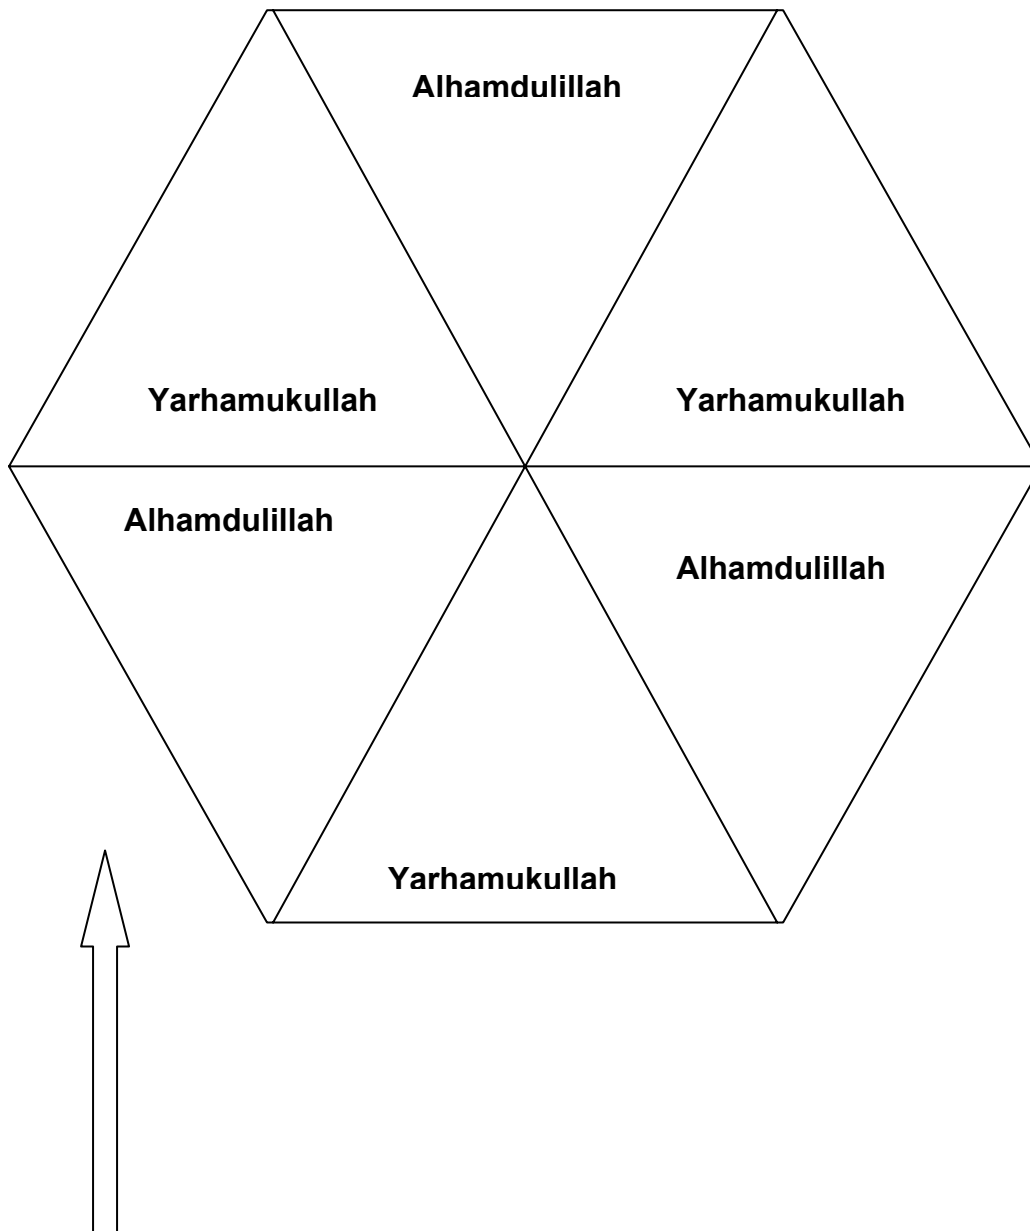

Your teacher will give you a big spinner:

How to play:

Spin the arrow

Take it in turn to sneeze (pretending)

Who has to say the word the spinner lands on? the person who sneezed or the friend?

LESSON 2.4: ALLAH IS THE STRONGEST AND THE MOST POWERFUL.

Ali woke up one night from his sleep very scared.

When his mummy asked him what the matter was, he replied that he had had a nightmare about a big strong monster.

Ali wanted his superman toy in bed with him so that if the monster came back superman could fight him because he is so strong.

Ali's mummy told him that:

- instead of asking superman, who was not real,
- it would be better to ask Allah for help as **He is the strongest and is real.**

I understand now Mummy. Thank you

So, Ali, If Superman was real, he would not be stronger than Allah; because Allah gives everyone their strength

Allah made everything and has power over everything and everyone.

There is no one; and nothing stronger than Him; He is the strongest.

That is why we should only ask Allah for help because only He can really help us.

WORKSHEET 2.4: ALLAH IS THE STRONGEST AND MOST POWERFUL:

Who is the strongest? And who is the weakest?

Colour in the strongest in RED and the weakest in YELLOW:

LESSON 2.9: MANNERS BEFORE A LESSON:

It is every Muslim's duty to gain knowledge,
and learn as much as you can.

Knowledge is what you learn and what you know.

You can learn new things at home, at mosque, in Madressa, at school, and many other places. We will concentrate on learning in Madressa.

There are some important things you must do when you are learning something:

Remember to thank the person who is teaching you.

Use that knowledge to make yourself a better person and also teach others (your younger brothers or sisters, and your friends) what you have learnt.

WORKSHEET 2.9: MANNERS BEFORE A LESSON:

Remember always to concentrate on your lesson completely:

Learn the little poem!

Draw a picture of something you should NOT do in your lesson:

LESSON 2.5: ALLAH CAN SEE AND HEAR EVERYTHING:

Zainab's mummy wanted to know if she really understood that Allah can see and hear everything.

So one day when Zainab came home from school, her mother gave her a big present and said: "Zainab you can only open this present in a place where no one can see you."

Zainab thought this would be very easy. She took the present and ran upstairs, but her father was there. So, she ran into the garden, but the birds were there. Then, she ran into the bathroom, but there was a spider there.

Zainab thought for a moment then she ran into a store cupboard under the stairs and she looked around. At last there was no one there.

She was just about to open the present when suddenly she remembered what her mummy had told her: **that Allah can see and hear everything.**

Zainab went back to her mummy without opening the present.

Allah can see and hear everything, but He does not use eyes or ears like we do.

There is nowhere that you can hide where Allah cannot see you.

There is nothing that you can say which Allah cannot hear, even if you whisper it ever so softly.

WORKSHEET 2.5: ALLAH CAN SEE AND HEAR EVERYTHING:

Who can see you everywhere? _____

Colour in the present Zainab's mummy gave her.

Zainab's mummy told her that she could open the present because she was such a clever girl.

Draw what you think was inside Zainab's present:

LESSON 2.10: MANNERS OF SLEEPING:

Before going to bed, you should do the following things:

Before going to sleep you should think of all good and bad deeds you have done in the day.

More good or bad deeds?

Which angel has done more writing: the angel on your right shoulder writing good deeds, or the angel on your left writing bad deeds.

Say sorry to Allah for anything bad that you have done, and promise that you will not do it again.

If you have been mean to anyone, tell yourself that tomorrow you will say sorry to them.

You should then sleep on your back or your right side. It is not good to sleep on your tummy.

WORKSHEET 2.10: MANNERS OF SLEEPING:

Draw all the things you should try and do before you go to sleep:

E.g. Finish your homework:

LESSON 2.6: ALLAH DOES WHAT HE WANTS:

Husain wanted a cat so he prayed to Allah; he was very upset when he didn't get one and he thought Allah was not listening to him.

One day Husain went to his friend's house, he was very excited as he had never been before and his friend had a pet cat.

Husain was playing with his friend's cat wishing that Allah would listen to him and let him get a cat, when suddenly he started feeling very ill. He began to cough and sneeze and was finding it very difficult to breathe.

He was rushed to hospital where the doctor gave him some medicine to make him feel better. When he was feeling better his mummy came to explain to him what had happened.

She told him that his body did not like something of the cat's, probably its hairs which cats tend to lose a lot of; and that Husain had probably got some of these hairs onto his body when he was playing with the cat.

Husain smiled. When his mummy asked him why; he replied that he had just realised that it is true that Allah listens to everyone and does only that which is good for you.

He told his mummy that he had been praying for a cat of his own for so long and because he had not got it he had thought Allah had not been listening to him, but really Allah had listened to him and because He knew that it was bad for Husain he had not make his wish come true.

Everything and everyone belongs to Allah, because He made everything. So, Allah does whatever He wants to do.

Whatever Allah does is always good. He never does anything evil.

WORKSHEET 2.6: ALLAH DOES WHAT HE WANTS:.

Husain had wished for a cat but did not get it as it was better for him not to.

Draw below something that you have wished for but not got.

A large empty rectangular box for drawing.

LESSON 2.11: MANNERS OF WAKING UP:

When we sleep our soul goes to visit Allah, but then Allah lets us come back and we wake up.

You should remember to do the following when you wake up in the morning:

Remember, knock on your parents door and wait for permission **before** you enter.

You should then put on your slippers and go to the toilet.

WORKSHEET 2.11: MANNERS OF WAKING UP:

We remember Allah as soon as we wake up, then send Salaams to our 12th Imam (a.s.) and then go and greet our parents.

Draw 2 other things you can do after you wake up:

E.g.: Put on our clothes:

LESSON 2.7: ALLAH KNOWS EVERYTHING:

Fatima asked her mummy if she could go outside to play. Her mummy said she could but only after she cleared up her toys. It would be too late then, she wanted to go now.

She went upstairs to clear up her room. When she reached upstairs, she shut her room door so that her mother could not hear her and then quietly to herself started saying how horrible her mummy was.

She suddenly stopped because she had remembered that although her mummy could not hear her, Allah knew everything and could hear her and she was sure that Allah would not like what she was saying.

Fatima went to her mummy and gave her a big hug and told her how sorry she was, for being angry with her because she knew that she was just trying to teach her.

Nothing can be kept a secret from Allah.

He knows what you shout, what you whisper, even what you think and do not say out loud.

He knows when you are good and when you are bad.

He knows if you are telling the truth and when you are lying.

He knows when you are happy and when you are sad.

He knows when you need help and He helps you.

WORKSHEET 2.7: ALLAH KNOWS EVERYTHING:

Draw a picture of what you would do if your Mummy or Daddy told you to go and pray when you wanted to watch a video.

LESSON 2.12: RESPECT OF PARENTS:

**Allah Says in the Holy Qur'an:
"..Do not worship anyone except Allah
and be kind to your parents.."**

Allah is telling us in the same sentence to worship only Him, and to be good to our parents. This shows us how important being kind to our parents is in Islam.

The Holy Prophet (s.a.w.) has also said that when we please our parents we are pleasing Allah, and when we upset them we are upsetting Allah.

Your mother carried you for nine months then gave birth to you, fed you, clothed you and looked after you

This is why in Islam we are told that Heaven lies under the feet of your mother.

When you are ill, your parents look after you.

When you are sad they are sad. When you are happy, they are happy.

When you need help they are there for you.

They pray for you, without you asking or even knowing.

You can never repay your parents for everything they have done for you, but you can thank them by respecting them:

Making them happy

Doing things for them, without being told to

Never raising your voice when you are talking to them

Thanking them and praying for them

Remember to treat your grandparents with the same respect that you treat your parents. They cared for your parents just like your parents cared for you.

WORKSHEET 2.12: RESPECT OF PARENTS:

Allah wants us to be kind to our parents.

Draw 2 pictures of how you can be kind to you parents:

E.g. By playing quietly when they are resting:

LESSON 2.8: ALLAH CAN MAKE ANYTHING TALK:

A perfect example of Allah making a non-living thing speak is:

The Story about, Prophet Muhammad (s.a.w.); and the pebbles:

The people of Makka asked Prophet Muhammad (s.a.w.) to prove that he was a Prophet.

Our last Prophet, Prophet Muhammad (s.a.w.) picked up some pebbles in his hand and all of a sudden in front of everyone the pebbles began to speak.

The pebbles said: "Muhammad is the messenger of Allah."

Everyone knows that pebbles are not alive and have no mouth and cannot speak but these pebbles could because Allah had commanded them to.

**Allah can make the trees talk, He can make the stones
talk,**

He can make anything talk; even if it is not alive.

Because

He made everything and He is the strongest.

Allah can make anything talk.
